FIBER SOURCING BD – Business Profile

■ Business Background

The owner of Fiber Sourcing BD partnered with SSTX from 2016 to 2022. As of 2023, Fiber Sourcing BD has been operating independently to cater the increasing business development needs of global trade. With a team of extremely talented experts and professional, we have successfully developed well-crafted value chain. Before forming Fiber Sourcing BD, the management has been experienced in Sourcing industries and have vast working experience in UK, EU and Australia industries and sourcing from Bangladesh, India, Pakistan & China.

■ Company Promise

Since the very first day of its inception, “Fiber Sourcing BD ” has been doing business with reputation and has earned a great deal of trust from its customer, suppliers and regulatory. Our experience predicts that there will be an increasing demand on sourcing or supply chain and business partnership or alignment to make a “Easy” business process and “Inspiring” low cost solution.

In that view Fiber Sourcing BD has develop a “End to End” value chain for all stakeholder thus all can get there expected business with a pleasant business journey. Our brand promise to our stakeholder is to make “Exciting experience and keep on going”.
